For updates to this list or if you wish to be removed from this mailing list, please contact Lisa Cooper at CharityAwareness@CommonHeart.org. Please forward any needs or promotional events to my attention for publication to all charities and services through Facebook and mailings.

Please let me know of any new or not yet published Union County charities or services that we might add to this list. (These can be charities that operate across county lines). The more awareness we develop of each charity and their outreach program, the more efficiently we can help clients in need and each other to meet those needs.
